Patient Authorization and Consent

Patient support program

Patient	**Keanu Dixon**
Date of birth	**09/02/1964**
Member ID	**HQK883883ZZ88**
Payer	**CVS Caremark New York**
Consent given	**Yes**
Method	**Electronic**

The patient authorizes their healthcare providers, health plans, and pharmacies to share health information with the patient support program to help with coverage, reimbursement, and support services related to the prescribed therapy.

This authorization is valid for 10 years unless the patient revokes it in writing.

Sample document for demonstration only. All data is representative.
