Patient	**Keanu Dixon**
Date of birth	**09/02/1964**
Member ID	**HQK883883ZZ88**
Payer	**CVS Caremark New York**
Prescriber	**Sarah Chen, MD**
Diagnosis	**Ulcerative colitis, unspecified, without complications (K51.90)**
Medication	**Obefazimod**

To whom it may concern: I am writing to support coverage of obefazimod for my patient. The patient has ulcerative colitis with continued disease activity despite prior conventional therapy. In my clinical judgment, obefazimod is medically necessary, and I request approval of the prescribed treatment.

Sincerely,

Sarah Chen, MD
