BENEFIT SUMMARY

Prior authorization has been submitted to BlueCross BlueShield of Florida for BRIUMVI infusion at an in-network site of care. Coverage is anticipated based on plan benefits; final approval is pending payer review. See Prior Authorization Submission Details on page 2 for status.

Please review the Prior Authorization information above. If the plan requires a specific PA form, it will be attached to this Benefits Investigation Summary for completion and submission.

If you have any questions, please contact the BRIUMVI Patient Support Program at 1-833-274-8684, Monday - Friday, 8:00 AM - 8:00 PM ET, excluding holidays.

Thank you.

Sincerely,

BRIUMVI Patient Support Program

Verification of benefits or coverage is not a guarantee of eligibility, payment, or coverage. Benefits reported in this Benefits Investigation reflect information provided by the patient's payer as of the date shown above; all benefits and cost-share amounts are subject to the patient's plan terms at the time services are rendered, and any claim remains subject to the payer's own review upon submission.
